SEC File No. 270-291, OMB Control No. 3235-0328

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.), the Securities and Exchange Commission (“Commission”) has submitted to the Office of Management and Budget this request for extension of the previously approved collection of information discussed below.

Form ID (OMB Control No. 3235-0328; SEC File No. 270-291) is used by companies and other entities to apply for identification numbers and access codes used in conjunction with the EDGAR electronic filing system. The information provided on Form ID is an essential part of the security of the EDGAR system. Form ID is not a public document because it is used solely for the purpose of registering filers on the EDGAR system. Form ID must be filed every time a registrant or other person obtains or changes an identification number. Form ID is filed by all persons that are required to file information electronically on EDGAR, including but not limited to, individuals, companies, other for-profit organizations, or governmental entities. We estimate that approximately 46,842 filers file Form ID annually and that it takes approximately 0.15 hours per response to prepare for a total of 7,027 annual burden hours.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid control number.

The public may view the background documentation for this information collection at the following website, [www.reginfo.gov](http://www.reginfo.gov).
