PRUNE HANDLERS' REPORT INSTRUCTIONS

This report is required by Sections 55601.7 and 55601.8 of the California Food and Agriculture Code and must be returned by **September 6, 2017** to the California Department of Food and Agriculture, 650 Capitol Mall, Suite 6-100, P.O. Box 942871, Sacramento, CA 94271- 0001. Include all transactions involving the 2015 crop marketing season. Report information in the appropriate section.

PLEASE READ THE FOLLOWING INSTRUCTIONS BEFORE COMPLETING THE QUESTIONNAIRE ON THE BACK OF THIS PAGE.

Variety French prunes are to be reported separately in the space provided below. All other prunes are to be combined and reported as "Non-French."

COLUMN 1 Total DFA Inspected Tons Produced by Handler: For the 2016 crop year, report the total DFA inspected tons produced by you, the handler. **DO NOT** include prunes purchased from other handlers or other producers.

If the dehydrator operator grew or purchased fresh prunes and dehydrated them, he/she is considered to be the producer of prunes. If he/she carries out the functions of a handler as defined by the Prune Administrative Committee, he/she will also be considered the handler.

* If a separate legal entity owned by the handler was responsible for the production of the prunes, the handler is not the producer of prunes. In this case, report tonnage under column (2) - **Quantity Purchased From Producers**; the separate legal entity is considered the producer. Reporting in this manner, assumes that a market price was established for the prunes produced by the separate legal entity.

SECTION II. FINALIZED PURCHASES

COLUMN 2 DFA Inspected Tons Purchased From Producers: Report, by variety, the total 2016 crop DFA inspected tons purchased from producers, for which all pricing has been finalized. **DO NOT** include prunes produced by you, the handler; purchased from other handlers; or tonnage for which pricing is not finalized.

COLUMN 3 Final Weighted Average Price (Including Bonuses and Allowances): In column (3), report the final weighted average price of all prunes purchased. Report the price separately by variety **rounded to the nearest dollar per ton**. Be sure to include all Bonuses and Allowances. For the prices to be considered finalized, all payments should have been paid to the producers for the 2016 crop by August 31, 2017.

(OVER)

SECTION III. NON.FINALIZED PURCHASES

- COLUMN 4 Quantity Purchased From Producers: Report the total 2016 crop DFA inspected tons, purchased from producers, for which all pricing is NOT finalized. This covers all tonnage purchased from producers not reported in column (2). DO NOT include prunes produced by you (the handler) or purchased from other handlers.
- COLUMN 5 Estimated Final Weighted Average Price (Including Bonuses and Allowances): Report your "good faith" estimate of the weighted average price for all prunes purchased in column (4). Report the price separately by variety rounded to the nearest dollar per ton. Be sure to include all Bonuses and Allowances. If not all payments have been sent to the producers for the 2016 crop by August 31, 2017, report these purchases as non-finalized.

SECTION IV. TOTAL ACQUISITIONS

- COLUMN 6 Weighted Average Size Count Of All Tons Purchased From Producers: For the 2016 crop DFA inspected tonnage reported in columns (2) and (4), enter the weighted average size count.
