§ 248.23

more than \$10,000 or imprisoned not more than five years, or both, or if such funds, assets or property are of a value of less than \$100, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both.

§ 248.21 Procurement and property management.

(a) *Requirements.* State agencies shall comply with the requirements of 7 CFR part 3016 for procurement of supplies, equipment and other services with FMNP funds. These requirements are adopted by FNS to ensure that such materials and services are obtained for the FMNP in an effective manner and in compliance with the provisions of applicable law and executive orders.

(b) *Contractual responsibilities.* The standards contained in 7 CFR part 3016 do not relieve the State agency of the responsibilities arising under its contracts. The State agency is the responsible authority, without recourse to FNS, regarding the settlement and satisfaction of all contractual and administrative issues arising out of procurements entered into in connection with the FMNP. This includes, but is not limited to, disputes, claims, protests of award, source evaluation, or other matters of a contractual nature. Matters concerning violation of law are to be referred to such local, State or Federal authority as may have proper jurisdiction.

(c) *State regulations.* The State agency may use its own procurement regulations which reflect applicable State and local regulations, provided that procurements made with FMNP funds adhere to the standards set forth in 7 CFR part 3016.

(d) *Property acquired with program funds.* State and local agencies shall observe the standards prescribed in 7 CFR part 3016 in their utilization and disposition of real property and equipment acquired in whole or in part with FMNP funds.

§ 248.22 Nonprocurement debarment/suspension, drug-free workplace, and lobbying restrictions.

The State agency shall ensure compliance with the requirements of the Department's regulations governing nonprocurement debarment/suspension

(7 CFR part 3017), drug-free workplace (7 CFR part 3017), and the Department's regulations governing restrictions on lobbying (7 CFR part 3018), where applicable.

§ 248.23 Records and reports.

(a) *Recordkeeping requirements.* Each State agency shall maintain full and complete records concerning FMNP operations. Such records shall comply with 7 CFR part 3016 and the following requirements:

(1) Records shall include, but not be limited to, information pertaining to financial operations, FMNP coupon issuance and redemption, equipment purchases and inventory, nutrition education, and civil rights procedures.

(2) All records shall be retained for a minimum of 3 years following the date of submission of the final expenditure report for the period to which the report pertains. If any litigation, claim, negotiation, audit or other action involving the records has been started before the end of the 3-year period, the records shall be kept until all issues are resolved, or until the end of the regular 3-year period, whichever is later. If FNS deems any of the FMNP records to be of historical interest, it may require the State agency to forward such records to FNS whenever the State agency is disposing of them.

(3) Records for nonexpendable property acquired in whole or in part with FMNP funds shall be retained for three years after its final disposition.

(4) All records shall be available during normal business hours for representatives of the Department of the Comptroller General of the United States to inspect, audit, and copy. Any reports resulting from such examinations shall not divulge names of individuals.

(b) *Financial and recipient reports.* State agencies shall submit financial and FMNP performance data on a yearly basis as specified by FNS and required by section 17(m)(8) of the CNA. Such information shall include, but shall not be limited to:

(1) Number and type of recipients (Federal and non-Federal).

(2) Value of coupons issued.

(3) Value of coupons redeemed.

§ 248.24

(c) *Source documentation.* To be acceptable for audit purposes, all financial and FMNP performance reports shall be traceable to source documentation.

(d) *Certification of reports.* Financial and FMNP reports shall be certified as to their completeness and accuracy by the person given that responsibility by the State agency.

(e) *Use of reports.* FNS will use State agency reports to measure progress in achieving objectives set forth in the State Plan, and this part, or other State agency performance plans. If it is determined, through review of State agency reports, FMNP or financial analysis, or an audit, that a State agency is not meeting the objectives set forth in its State Plan, FNS may request additional information including, but not limited to, reasons for failure to achieve these objectives.

§ 248.24 Other provisions.

(a) *No aid reduction.* The value of benefits or assistance available under the FMNP shall not be considered as income or resources of recipients or their families for any purpose under Federal, State, or local laws, including, but not limited to, laws relating to taxation, welfare and public assistance programs. Section 17(m)(7)(B) of the CNA provides that any programs for which a grant is received under this subsection shall be supplementary to the food stamp program carried out under the Food Stamp Act of 1977 as amended (7 U.S.C. 2011 et seq.) and to any other Federal or State program under which foods are distributed to needy families in lieu of food stamps.

(b) *Statistical information.* FNS reserves the right to use information obtained under the FMNP in a summary, statistical or other form which does not identify particular individuals.

(c) *Confidentiality.* The State agency shall restrict the use or disclosure of information obtained from FMNP applicants and recipients to persons directly connected with the administration or enforcement of the WIC Program or the FMNP, including persons investigating or prosecuting violations in the WIC Program or FMNP under Federal, State or local authority.
