

0703-XXXX

Expires on XX/XX/XXXX

Dear Sir/Ma'am,

At the U.S. Navy Flight Demonstration Squadron, the Blue Angels, we build our demonstration upon teamwork, dedication and selflessness, and we strive to become better at our craft each day. We recognize these same values in your service to your community and your devotion to helping others achieve their fullest potential. In appreciation of your commitment to excellence and service, we congratulate you on being selected to take part in the once-in-a-lifetime opportunity to experience the joy of flight with the Blue Angels!

Join Blue Angel #7, Lieutenant Andre Webb, for a 45-minute ride in one of our world-famous blue and gold F/A-18 Hornet aircraft. If you're apprehensive, don't worry! We will fully customize your ride, with the aim of making your entire Blue Angel experience completely enjoyable from start to finish. That means a ride tailored to meet your personal comfort level. It's a chance to make the lifelong memory of flying with the world's most recognized jet demonstration team!

In our 72nd year, the Blue Angels represent more than 700,000 active and reserve Navy and Marine Corps service members. Through flight demonstrations and community outreach we honor those who serve, within and outside the military, and we promote the pursuit of excellence in every avenue. We are proud to extend this opportunity to someone who embodies the values we embrace, and we hope you will join us for a flight during our winter training in El Centro, California, at one of our air shows, or at our home station in Pensacola, Florida during the show season!

Please let us know if you're interested in this amazing opportunity. We're happy to answer any questions you may have and to start planning your flight with the Blue Angels!

All our best,
LT David Gardner
