Device Registration and Listing Module

Form Number: FDA 3673(03/08)

OMB Number: 0910-0625

OMB Expiration Date: xx/xx/20xx

OMB Burden Statement:

Public reporting burden for this collection of information on form FDA 3673 is estimated to be 0.50 hours per response for the purpose of firms annually registering their establishment and 0.25 hours per response for the purpose of firms annually listing their devices. These estimates are based on FDA's experience, data from the device registration and listing database, and our estimates of the time needed to complete other previously required forms.

Send comments regarding this burden estimate or another aspect of this collection of information, including suggestions for reducing this burden to:

FDA PRA Staff,

Food and Drug Administration,

8455 Colesville Rd.,

COLE-14526,

Silver Spring, MD 20993-0002,

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid Office of Management and Budget (OMB) control number.

On the next few pages, you will need to enter the business name and address of your medical device facility. If your facility is located outside of the United States, you will also need to enter information about your U.S.Agent. With the exception of facilities that only act as initial importers of medical devices, you will need to create a listing for each product that you manufacture or process at your facility.
To enter a listing, you will need to identify whether your product is exempt from premarket notification and approval.
If your product is exempt, you will:
Identify the appropriate product code(s)
Enter the proprietary name(s) under which the product is marketed
Identify the activities that you perform on or to the product(s)
If your product is not exempt, you will:
Enter the premarket submission number(s) associated with your product(s)
