**Why am I getting this letter?**

Your health coverage is still being offered in [5 Year], but some details may have changed. Read this letter carefully and decide if you want to keep this plan or choose another one. Also make sure to update your information with [6 the Exchange].

**Changes you'll see to your plan in [7 Year]**

**Your new premium**

- Your [8 Current year] monthly payment is \$[9 Dollar amount]. This reflects a monthly premium of \$[10 Dollar amount] minus \$[11 Dollar amount] of financial help per month.
- **Your new monthly payment (starting in [12 Month]) is [13 estimated]: \$[14 Dollar amount].** This reflects an [15 estimated] monthly premium of \$[16 Dollar amount] minus the same amount of financial help you're getting now. **However, your financial help may be different next year.** You'll see your new monthly payment when you receive your [17 Month] bill.  
**Important:** This estimated monthly payment is based on current information we have for [18 Year]. It doesn't account for changes that could impact your amount of financial help, like cost changes in your area for next year, or changes to your household income or family size. To find out the actual amount of financial help you qualify for in [19 Year] and your new premium amount, update your [20 Exchange] application. See below for more information.

**Other changes**

- [21 Briefly describe plan changes and/or refer to enclosed materials]

- You can review more details about your plan at [22 Issuer website] and in your [23 Year] Summary of Benefits and Coverage.

### What you need to do

#### 1. Update your [24 Exchange] application by [25 Date].

Review your [26 Exchange] application to make sure the information is still current and correct, and to see if you qualify for more or less financial help than in [27 Year]. This may result in a lower monthly premium payment or lower out-of-pocket costs (like deductibles, copayments, and coinsurance). Plus, you can help avoid paying money back when you file your taxes.

#### 2. Decide if you want to enroll in this plan or choose another one.

##### **I want to enroll in this plan.**

Update your Exchange application information, and then select [28 Plan name and ID] to enroll.

[29 For renewals from a silver level QHP into a non-silver level QHP (except for Indian enrollees)] **Important:** This isn't a Silver plan in [30 Year]. This means you can't get financial help to lower your out-of-pocket costs if you enroll in this plan. To get these savings if you qualify, you must go back to [31 the Exchange] and enroll in a Silver plan. If you don't, any financial help you currently get to lower your out-of-pocket costs will stop on December 31.]

##### **I want to pick a different plan.**

You can choose a different plan between [32 Dates]. Enroll by [33 Date] for coverage to start January 1.

Here are some ways to look at other plans and enroll:

- Visit [34 Exchange website] to see other [35 Exchange] plans. Consumers who shop can save hundreds of dollars per year and can find a plan that best meets their needs and budget.
- Check with [36 Issuer] to see what other plans may be available. Remember, you won't get financial help unless you qualify and enroll through [37 the Exchange].

**Note:** If you got financial help in [38 Year] to lower your monthly premium, you'll have to "reconcile" using IRS Form 8962 when you file your federal taxes. This means you'll compare the amount of premium tax credit you received in advance during [39 Year] with the amount you actually qualify for based on your final [40 Year] household income and eligibility information. If the amounts are different, this will affect the amount of your refund or taxes owed.
