**Privacy Act Statement  
Collection and Use of Personal Information**

Sections 204, 1631, and 1879 of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent an accurate and timely decision on your overpayment waiver request.

We will use the information to make a waiver determination and to obtain your financial account information. We may also share your information for the following purposes, called routine uses:

- To student volunteers and other workers, who technically do not have the status of Federal employees, when they are performing work for Social Security Administration (SSA) as authorized by law, and they need access to personally identifiable information in SSA records in order to perform their assigned agency functions; and
- To third party contacts such as private collection agencies and credit reporting agencies under contract with SSA and other agencies, including the Veterans Administration, the Armed Forces, the Department of the Treasury, and State motor vehicle agencies, for the purpose of their assisting SSA in recovering program debt.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notices (SORN) 60-0094, entitled Recovery of Overpayments, Accounting and Reporting/Debt Management System, as published in the Federal Register (FR) on August 23, 2005, at 70 FR 49354; 60-0231, entitled Financial Transactions of SSA Accounting and Finance Offices, as published in the FR on January 11, 2006, at 71 FR 1849; and 60-0320, entitled Electronic Disability Claims File, as published in the FR on July 25, 2006, at 71 FR 42159.
