

The Runaway and Homeless Youth Training and Technical Assistance Center (RHYTTAC) and the Family and Youth Services Bureau (FYSB) are interested in learning about the status of human trafficking among RHY funded programs. Every day, our programs serve runaway and homeless youth who are victims or are at high-risk of becoming victims of sex and labor trafficking.

This assessment is voluntary and you will need 20-30 minutes to answer the questions below. The information provided will be kept private and will not be used to make funding decisions, or other grantee-specific decisions.

If you have any questions or experience any technical issues in completing this survey, please contact [thooper@rhyttac.org](mailto:thooper@rhyttac.org)
