SUPPLEMENTARY INFORMATION: In accordance with the Paperwork Reduction Act of 1995, we provide the general public and other Federal agencies with an opportunity to comment on new, proposed, revised, and continuing collections of information. It also helps the public understand our information collection requirements and provide the requested data in the desired format.

On June 13th, 2019, we published a **Federal Register** notice soliciting comments on this collection of information for 60 days, ending on August 12th, 2019 (84 FR 27653). We received one (1) public comment from the American Association of Nurse Practitioners requesting Nurse Practitioners be granted the ability to sign for the 10–2201E, “Physician Consent Form.” The USPP will consider amending Form 10–2201E based on guidance from the Federal Occupational Health, Program Support Center, U.S. Department of Health and Human Services in the future to include the signature authority of Nurse Practitioners and Physician's Assistants authority of Nurse Practitioners and Physician's Assistants.

We are again soliciting comments on the proposed ICR described below. We are especially interested in public comment addressing the following issues: (1) Is the collection necessary to the proper functions of the NPS; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the NPS enhance the quality, utility, and clarity of the information to be collected; and (5) how might the NPS minimize the burden of this collection on the respondents, including through the use of information technology.

Comments that you submit in response to this notice are a matter of public record. We will include or summarize each comment in our request to OMB to approve this ICR. Before including your address, phone number, email address, or other personal identifying information in your comment, you should be aware that your entire comment—including your personal identifying information—may be made publicly available at any time. While you can ask us in your comment to withhold your personal identifying information from public review, we cannot guarantee that we will be able to do so.
