

2019 Explosives Detection Canine Handler Supervisor Survey

Thank you for sending your employee to the ATF Explosive Detection Canine Handler training course. The Office of Human Resources and Professional Development (HRPD) is committed to excellence and providing current and effective training. Your feedback about the effectiveness of ATF training to prepare your employee to perform his or her duties is very important to us. Please provide us with information about your satisfaction with your employee's experience by completing this survey, which will take about 10 minutes. Your responses and comments will be used to evaluate the training and make updates on the course so that it continues to meet your staff's requirements.

Organization

This survey is organized in two parts. The first consists of general questions that are used in all ATF training surveys so that we can compare responses to other courses offered by the Bureau. The second part consists of course specific questions. Please take the time to respond to both parts.

Navigation

The Next button below will advance you to additional pages in the survey. Please be sure of your responses before you select Next, as the survey program will save your responses and you will not be able to go back and change your answers. At the end of the survey, you will be asked to select the Submit button at the bottom of the screen in order to complete the survey and exit.

If you run short of time, the Save button will allow you to save your survey responses at any point and return later. After you select Save, you will be provided with a link that will return you to the survey. Be sure to either write down the link or cut and paste it into a Word document for later use.

Instructions

Please rate each item on the following screens by selecting the option that best reflects your response.

Privacy Act Information

This information is provided pursuant to Public Law 93-579 (Privacy Act of 1974) December 31, 1974, relative to the collection of information from prospective students to attend the ATF Training.

1. Authority. Title 38, U.S.C., §527; Title 29, U.S.C., §711; Title 31, U.S.C., §1115, Executive Order 13540.
2. Purpose. To obtain information from Federal, State and local, military and international law enforcement personnel completing training conducted by ATF for the purpose of evaluating program effectiveness.
3. Routine Uses. Disclosure of evaluation results as collected data summaries will be provided to ATF management and training staff in order to make decisions regarding program improvement and the allocation of resources. Evaluation results will be provided to external Federal government agencies on an as needed basis. Individual personal data will be treated as law enforcement sensitive information and will be protected in accordance to Title 5, U.S.C. §552. Individual responses to survey questions will not be available upon request to the individual, to the individual's parent agency, or to any other individual or agency as the system used to collect that data does not store the information in a manner that an individual's responses can be retrieved.
