OMB Control Number: 2900-0205.

Type of Review: Extension of an approved collection.

Abstract: VA Form 10-2850D, Application for Health Professions Trainees, is part of a previously approved collection of forms under OMB control number 2900-0205. VA Form 10-2850D is designed specifically to elicit appropriate information about qualifications for each trainee participating in accredited educational programs with the Department of Veterans Affairs (VA). The 10-2850D form is used by all health professions trainees, including physician and dentist residents.

The collection of this information is authorized by 38 U.S.C. 7403 (Veterans' Benefits), which provides that appointments of Title 38 employees will be made only after qualifications have been satisfactorily verified in accordance with regulations prescribed by the Secretary. Occupations listed in 38 U.S.C. 7401(1) and 7401(3) (Appointments in Veterans Health Administration) are appointed at a grade and step rate, or an assignment, based on careful evaluation of their education and experience.

The Veterans Health Administration (VHA) conducts education and training programs through partnerships with affiliated academic institutions and

through VHA's own sponsored programs. Qualified health care professionals with appropriate credentials and privileges supervise trainees. 38 U.S.C. 7302 (Functions of Veterans Health Administration: health-care personnel education and training programs) mandates that VHA assist in the training of health professionals for its own needs and for those of the nation.

The VA Form 10-2850D application will collect information from health professions trainees prior to VA appointment. All health professions trainees must provide information concerning their background, training, education, degrees, licensure, registrations, and other vital information to ensure appropriate qualifications for VA assignment.

An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.
