PRIVACY ACT NOTICE

The information requested on this form will not be retrieved from our files by using your name or personal identifier and is therefore, in the opinion of this agency, not subject to provisions of the Privacy Act of 1974. However, in keeping with the spirit and intent of the Privacy Act we are informing you of the following:

Authority: 9 CFR Section 114.7.

Purpose: That compliance with the Act and applicable regulations be under supervision of person(s) competent in the preparation of biological products.

Routine uses: To determine that the responsible person(s) producing biological products are qualified by training and experience and have demonstrated fitness to produce such products in compliance with the Act.
