

Attachment 4 - Screen Shots for Modifications and Additions to the Existing FMS Host Site Application Module

OMB CONTROL NUMBER 0920-0765

FELLOWSHIP MANAGEMENT SYSTEM

NON-SUBSTANTIVE CHANGE REQUEST

PROPOSED MODIFICATIONS FOR CDC PREVENTIVE MEDICINE RESIDENCY & FELLOWSHIP (PMR/F)

FMS APPLICATION MODULE

DATE SUBMITTED: APRIL 18, 2019

8.1 Public Health Agency Statement Section

Figure 8.1 a.1 Public Health Agency Statement Page

Position Information:

Provide a narrative of 750 words or less that describes the program's mission and vision, population served, connections with universities and community stakeholders, and experience with supporting long-term trainees.

Figure 8.1 a.2 Public Health Agency Statement Page

Work Environment & Administrative Support:

Describe the physical environment (e.g. workstation), policy development support, administrative support, statistical support, clinical site supervision, and travel funding availability.

Figure 8.1 a.3 Public Health Agency Statement Page

If matched with a learner, are you able to support the travel and registration costs for the learner to:

- * Attend a congressional orientation training in Washington DC
- * Attend the American College of Preventive Medicine (ACPM) annual conference

Note: Please refer to the PMR/F website to get more details about these trainings.

For locations outside of Atlanta, GA or Washington, DC:

Can your host site support clinical responsibilities of a resident approximately 1 day per week? (e.g. a clinic, an attending physician, training environment, credentialing support, clinic orientation and training, access to health records)

No ▼

Please select from the following options:

▼

- We can only host a PMR/F Fellow (who have no clinic responsibilities)
- We would like to host either a resident or fellow but need help identifying an appropriate location

Figure 8.1 a.5 Public Health Agency Statement Page

Learning Opportunities:

Describe the opportunities to gain leadership and management experience.

9.2 Program Information Section

Figure 9.2-D. Program Information*

PMR/F Performance Requirements:

Provide a detailed project description for each of the PMR/F performance requirements that can be accomplished in 11 months that meet the PMR/F learning objectives. Note that PMR/F projects should emphasize building leadership and management skills in the following population health topics: public health and healthcare integration, community health, health system transformation, and social determinants of health.

Program evaluation

Policy analysis or development

Population health improvement

Project management

Grant proposal evaluation and development

*Note: Only collected by Preventive Medicine Residency & Fellowship (PMR/F) program
