

### OMB #0925-0642, exp. Date 5/31/2020

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

## 2018 NIH Common Fund Stimulating Peripheral Activity to Relieve Conditions (SPARC) Annual Awardee Meeting Feedback

### 2018 SPARC Annual Awardee Meeting Survey

The purpose of this voluntary and confidential survey by the NIH Common Fund is to collect feedback about the 2018 NIH Common Fund Stimulating Peripheral Activity to Relieve Conditions (SPARC) Annual Awardee meeting. Your feedback will help improve future SPARC meetings.

It is estimated that this survey will take less than 5 minutes to complete.

If you have any questions about this survey, contact Ms. Kristina Faulk at (301) 402-9185 or kristina.faulk@nih.gov.

OK

1. Overall, how would you rate the SPARC Annual Awardee meeting?

- Excellent
- Very Good
- Good
- Fair
- Poor

2. The SPARC meeting included more lecture-style sessions and fewer interactive presentations that provide networking opportunities. Please indicate your opinion of this meeting format:

- Strongly positive - strongly prefer predominantly lecture-style sessions
- Positive - prefer predominantly lecture-style sessions
- Neutral - neither better nor worse than interactive presentations that provide networking opportunities
- Negative - prefer interactive presentations that provide networking opportunities
- Strongly negative - strongly prefer interactive presentations that provide networking opportunities

3. The SPARC meeting had fewer opportunities for interaction with NIH program staff because of more lecture-style sessions. Please indicate your opinion of this meeting format: 

- Strongly positive - strongly prefer predominantly lecture-style sessions
- Positive - prefer predominantly lecture-style sessions
- Neutral - neither better nor worse than opportunities for interaction with NIH program staff
- Negative - prefer more opportunities for interaction with NIH program staff
- Strongly negative - strongly prefer more opportunities for interaction with NIH program staff

4. Would you attend, or encourage others to attend, future SPARC meetings if attendance was voluntary? 

- No
- Undecided
- Yes, Definitely
- Yes, if some changes were made (please specify)

5. Indicate your overall satisfaction. 

	Very Satisfied	Satisfied	Neutral	Somewhat Dissatisfied	Very Dissatisfied
Quality of Speaker presentations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality of Poster sessions	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Quality of Program Business presentations	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Providing a forum for exchange of information with other participants	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Meeting venue (Bethesda North Marriott Hotel & Conference Center)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Hotel accommodations and services (Bethesda North Marriott Hotel & Conference Center)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

6. Please provide any suggestions for improving future SPARC meetings. 

7. Any additional comments regarding the SPARC meeting are welcome.
