 (initial
 email)#####Greetings,

Because you registered to use either the 2014 or 2016 versions of the Automated Self-Administered 24-hour (ASA24) Dietary Assessment Tool, I would like invite you to provide feedback about your experience using ASA24 through a short survey. I expect this survey will take you about 5-10 minutes to complete.

Your responses to the survey questions will help us assess the usefulness of several aspects of the ASA24 system, including the new Respondent Nutrition Report, materials about the system for respondents as well as for those collecting dietary data, and the help desk support available to ASA24 users.

All responses will remain anonymous, unless you choose to provide your contact information at the end of the survey.

We would greatly appreciate your feedback by (insert date two weeks from initial email). (insert link to survey with text "Begin Survey")

As the project officer for ASA24, I want to thank you on behalf of the entire ASA24 team for taking the time to provide feedback about the ASA24 system.

Amy Subar, Ph.D., M.P.H., R.D.
 National Cancer Institute
