

Invitation email for HINTS conference evaluation survey:

Dear HINTS Conference Participant:

Thanks for attending the meeting.

We would like your feedback about the conference and would greatly appreciate if you could take 5 minutes to answer a few quick questions to provide your input on different aspects of the conference. Your feedback will be used to improve future meetings.

Should you have any questions, please contact Richard Moser at moserr@mail.nih.gov.

Thank you!

The HINTS Team
