

## Fellows Research Meeting (FRM) Speaker Survey Form

OMB No.: 0925-0642

Expiration Date: 05/31/2020

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

**Speaker name:** \_\_\_\_\_

**Date:** \_\_\_\_\_

1-Disagree

5-Agree

Delivery of presentation was excellent (e.g., good posture, consistent eye contact with audience, enthusiasm, good use of gestures, and minimal use of filler words e.g., um, ah, like).

1      2      3      4      5

The objectives of the talk were clear and sufficient background was presented. *(Especially as it relates to you understanding the presentation better).*

1      2      3      4      5

Quality of presentation was high (slides are clear, well organized, visual aids used appropriately).

1      2      3      4      5

Relevance to cancer prevention was clear.

1      2      3      4      5

The speaker answered questions well. (e.g. managing this part of talk well):

1      2      3      4      5

My main take-home point from this talk was:

1      2      3      4      5

Other comments (questions you may have that you did not raise, answers that need additional clarification, etc.):
