

Invitation email for participants of the NCI Summer Curriculum Program:

Dear NCI Summer Curriculum Program Participant:

We hoped you enjoyed the training we provided to you this summer!

It has been several months since you attended our program. We would like to follow-up with you and obtain your feedback on the impact of our training on your professional work. The survey should take less than 5 minutes to answer. Your feedback will be critical to improve future trainings.

Please click on the following link to take the survey.

Should you have any questions, please contact Hala Azzam at hala.azzam@mail.nih.gov.

Thank you!

The NCI Summer Curriculum Team
