

Cancer and Accelerated Aging Think Tank Evaluation: Measuring Aging and Identifying Aging Phenotypes in Cancer Survivors, July 2018

OMB No.: 0925-0642

Expiration Date: 5/31/2020

Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

Please complete the following survey about the July 2018 think tank meeting.

1. Did you leave the think tank with valuable information that you can apply to advance your clinical or research goals/aims?

- To a large extent To some extent Not at all

2. Since the think tank, have you...

Thought about your own work differently?

- To a large extent To some extent Not at all

Shifted your work in a different direction?

- To a large extent To some extent Not at all

Conceptualized or written a grant application, or been part of a grant application, that contains or is based on information or concepts learned in the think tank?

- Yes
 No

Authored or co-authored a manuscript (submitted or not yet submitted) based on information or concepts learned in the think tank?

- Yes
 No

Conceptualized, conducted, or directed a data analysis based on information or concepts learned in the think tank?

Yes

No

3. Have you contacted a presenter or other attendee from the think tank *because of your participation in the think tank*?

Yes

No

4. Overall, how would you rate the think tank?

Excellent

Very good

Good

Average

Poor

Very poor

5. What else would you like us to know about your experience with the think tank, either about the event itself or about work you have done in relation to it?

6. If NCI created a “Cancer and Accelerated Aging” webinar series, what topics would you like to see presented? What speakers would you recommend or like to hear from?

7. What other directions or actions do you think NCI should take in relation to the Cancer and Accelerated Aging initiative (e.g., another think tank)?
