

# iCURE Mentors Survey – Screenshots

OMB No.: 0925-0642

Expiration Date: 05/31/2020

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

## iCURE Primary Mentor Survey

Thank you for taking the time to provide your feedback regarding your iCURE experience. The information you provide will remain secure to the extent permitted by law – no individual responses will be shared with your mentee or the iCURE management team. All information will be reported in aggregate and will be used to make changes and improvements to the iCURE program as appropriate and possible. If you have any questions you may contact Fred Snyder, Senior Evaluation Research at [fsnyder@novaresearch.com](mailto:fsnyder@novaresearch.com).

By continuing with this survey you agree to participate in the iCURE program survey.
