Expiration Date: 07/31/2022

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected will be kept private to the extent provided by law. Names and other identifiers will not appear in any report. Information provided will be combined for all participants and reported as summaries. You are being asked to complete this form so that we have an accurate count of participants registered to attend the NCI cohort Consortium meeting as well as those planning on submitting an abstract for poster presentations.

Public reporting burden for this collection of information is estimated to range from 5 to 30 minutes, per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.

Poster Session

A poster session displaying the work of the Cohort Consortium Working Groups and Projects will take place on Tuesday, November 19, 2019. Every Cohort Consortium Working Group/Project is encouraged to submit a poster abstract. Abstracts are also accepted from individual investigators, research fellows, students, and NCI staff interested in sharing findings, information about methodologic studies and tools, and other topics likely to be of interest to the Cohort Consortium membership. There will be awards for the Best Student/Fellow Poster and Best Overall Poster.

To submit a poster abstract, please use the upload box below. You may also submit your abstract via email to John Hare at jhare@scgcorp.com. To submit via email, please attach your abstract in either Word or PDF format and use the following format in the subject line, replacing the italicized text with your information: "*NCI Cohort Consortium 2019 Abstract Submission — Name — Registration ID #*". Your Registration ID number can be found inside your confirmation email.

The deadline for abstract submission is Friday, September 6, 2019 at 5:00 p.m. EDT.

If submitting an abstract, please indicate your affiliation below.

- Student / Fellow
- Affiliated with a Cohort Consortium Working Group / Project
- Other - NOT Affiliated with a Cohort Consortium Working Group / Project

Use the below upload box to select your abstract. It must be in MS Word or PDF format.
