

OMB # 0925-0740

Expiration Date: July 31, 2022

**Public reporting burden for this collection of information is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0740). Do not return the completed form to this address.**

\* 1. Name (first last)

\* 2. Preferred email address

3. Institutional affiliation

\* 4. Where will you be coming from (city, state, country)?

\* 5. Education level

Post-baccalaureate fellow

Graduate student

Bachelors degree

PhD

Masters degree

Post-doctoral fellow

Other (please specify)

\* 6. What is your background (check all that apply)?

- Software Professional (Developer, IT Professional, etc.)
- Engineer (Biological, Chemical, Computer, etc.)
- Data Scientist / Data Engineer
- Scientist (Genomics, Microbiologist, Mathematician, etc. )
- Bioinformatician
- Librarian
- Educator

7. Github user name

\* 8. Have you previously participated in an NCBI codeathon (hackathon)?

- Yes
- No

\* 9. Have you previously participated in *any other* hackathons?

- Yes
- No

\* 10. How comfortable are you with:

	Not at all	Beginner	Intermediate	Advanced
Cloud computing (AWS, GCP, Azure, ect.)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Containerization (Docker, singularity, ect.)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

\* 11. How comfortable are you with these programming languages

	Not at all	Beginner	Intermediate	Advanced
Python	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
R	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Java	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
JavaScript	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
C/C++	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Ruby	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Shell Scripting	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Other (please specify)

\* 12. Please tell us, in a short paragraph or two, about the project you are proposing (with information such as potential data sets and proposed methods).

\* 13. Please provide a short title for your project.

\* 14. Please tell us, in a short paragraph or two, why this project applicable to others in the community.

\* 15. Please tell us, in 2-3 sentences, why you would like to participate.

\* 16. Please tell us, in 2-3 sentences, what you work on.

\* 17. Here are some proposed project titles (these may evolve); please pick the top three you are interested in working on.

- A
- B
- C
- D
- Other (please specify)

At the codeathon, the team leader will coordinate a group of 5-6 individuals in defining the project and having a clear vision for developing a solution. To accomplish this goal, the team leads role is to: define and delegate tasks, incorporate team members' ideas to accomplish the goal at stake, and ensure the team's success. The team lead will need to be present for all three days of the codeathon. Participating as a team lead is a great way to gain leadership experience in a fast-paced coding environment. Having a designated team lead dramatically increases the probability that the project will be selected.

\* 18. Would you like to be the team lead for this project?

- Yes
- No

19. Suggested team lead (if not self).

\* 20. How did you hear about this event?

- Friend/Colleague
- Email
- Slack
- Social Media (Twitter, LinkedIn, etc.)
- Other (please specify)
- NIH Listserv
- NCBI Codeathon website
- NCBI Insights Blog
