Section 233 of the Social Security Act, as amended, allows us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from making an accurate and timely decision on your request for a certificate of coverage.

We will use the information you provide to determine if you are subject to United States social security coverage and taxation. We may also share your information for the following purposes, called routine uses:

- To the Social Security Administration of a foreign country, to carry out the purpose of an international Social Security agreement entered into between the United States and the other country, pursuant to section 233 of the Social Security Act; and

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.
