Revision to the Collection Instrument:

SSA is making the following revisions:

- **Change #1:** We are revising the Privacy Act Statement on these forms.

Justification #1: SSA's Office of the General Counsel is conducting a systematic review of SSA's Privacy Act Statements on agency forms. As a result, SSA is updating the Privacy Act Statement on these forms.

- **Change #2:** We removed "Office of Adjudication and Review" from the header of the HA-85 and HA-86.

Justification #2: The name of office has changed, and we chose just to remove it from the forms.
