# Survey of Head Start Grantees on Training and Technical Assistance Head Start Manager/Coordinator Survey (Wave 2): Early Childhood Development and Education

#### INTRODUCTION

Thank you for responding to this survey for [HEAD START GRANTEE], which is the recipient of the following grants from the Office of Head Start in the Administration for Children and Families:

(LIST OF GRANTS RECEIVED).

**About the survey.** NORC at the University of Chicago is conducting the Survey of Head Start Grantees on Training and Technical Assistance (T/TA) under a contract with the Administration for Children and Families (ACF) of the U.S. Department of Health and Human Services (DHHS). The purpose of the survey is to inform ACF about three aspects of Head Start grantees' T/TA experience: 1) search and selection of T/TA; 2) receipt of T/TA; 3) and potential relationships between T/TA received and perceived changes in practice.

**About your participation.** Your participation in the survey is voluntary. You may refuse to answer any questions you are not comfortable answering. To maintain the privacy of your participation, we will remove all identifying information and replace it with a study ID. Only the researchers involved in the study will know that someone from your organization participated in the study. To minimize risks to loss of privacy, we are using a secure system to collect these data.

**How long it will take.** The survey will take about 45 minutes to complete. This includes time to review instructions, search existing data resources, gather the data needed, and complete and review the survey.

**How the information will be used.** Information from this survey will be used for research and program improvement purposes only (not for monitoring purposes). The information you provide will be combined with information from other grantees. At the end of the study, we will give ACF a dataset with all participants' responses, but it will not associate your organization with your responses. Your name or the name of your organization will not appear in any public document produced as part of the study. Your information will be used only for the purpose of the study and will be kept private to the extent allowed by law.

#### SURVEY DIRECTIONS

This questionnaire will focus on **early childhood development and education** related to your agency's Head Start grants, including activities you may have in Head Start, Early Head Start, Migrant and Seasonal Head Start, and/or Early Head Start Child Care Partnerships (referred to in this survey as "Head Start programs"). Throughout this questionnaire, "agency" refers to the larger organization of which your Head Start program is a part.

If you would like more information about the study, please call 1-xxx-xxx or send an email to <u>HeadStart-TTA@norc.org</u>. If you have questions about your rights as a survey participant, you may call the NORC Institutional Review Board Administrator (toll-free) at 1-866-309-0542.

#### Paperwork Reduction Act Statement

The described collection of information is voluntary. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB number for the described information collection is XXXX-XXXX and the expiration date is XX/XX/XXXX.

## Section I. Structure and Staffing in Domain

Let's begin with some questions about your own role and how early childhood development and education are staffed in your Head Start program.

- I.1. Please tell me your job title related to early childhood development and education activities:
- 1.2. Some of the major areas of early childhood development and education activities in Head Start programs are listed below. For each one, please tell me how much you are involved in those activities:
