The screenshot shows a web browser window displaying the U.S. Department of State DECCS Industry Service Portal. The page header includes the department logo, the text "U.S. DEPARTMENT OF STATE DECCS Industry Service Portal", a search bar, and the user name "Kimberly Marshall". Below the header, there are navigation links for "Applications" and "Support". The main content area features a dark blue banner with the application ID "DS-4076" and "Commodity Jurisdiction (CJ)". To the right of the banner are "Exit" and "Help" icons. Below the banner, the "CJ Number" is "CJ0001056" with a "DRAFT" status, and the creation date is "2019-03-26 20:52:28" by "MarshallKH".

The main content is divided into two columns. The left column contains a "TABLE OF CONTENTS" with 15 items, including "1.1: Filer Information - Filer Type" through "15: Supporting Documents" and "Signature and Certification". Item "8: Product Development Stage" is highlighted with a downward arrow. The right column is titled "BLOCK 8" and "Product Development Stage". It contains a question: "What is the current stage of product development for this item?\*" followed by a dropdown menu. The dropdown menu is open, showing options: "Other", "-- None --", "Blueprint/Design Stage", "Design complete/No sales yet", "Design complete/Prototype/No sales yet", "Design complete/Sales", and "Other". The "Other" option at the bottom is highlighted in blue.

The footer of the page features the logo of the Directorate of Defense Trade Controls and the text "Directorate of Defense Trade Controls". A "Submit Feedback" button is visible on the right edge of the page.

### Privacy Act Statement

**AUTHORITIES:** The information is sought pursuant to Exec. Order No. 13637, 22 U.S.C. 2778, 22 CFR Â§ 120.3, 22 CFR Â§ 120.4, and 22 CFR Part 121.

**PURPOSE:** The purpose of a commodity jurisdiction determination request is to provide the U.S. Government with information concerning the design, manufacture, export, brokering, and sale of certain defense articles which may or may not be controlled under the United States Munitions List (USML, 22 CFR Part 121) and are therefore subject to the export licensing jurisdiction of the Department of State. This information will be used to determine the correct classification of items under the USML.

**ROUTINE USES:** The information supplied on this form is made available to appropriate agencies for law enforcement or pursuant to a court order. It may also be used to send required reports to Congress about certain defense transactions. More information on the Routine Uses for the system can be found in the System of Records Notice State-42, Munitions Records.

**DISCLOSURE:** Providing this information is voluntary and designed to assist individuals and companies to properly determine the classification of certain defense articles. Failure to provide the information requested on this form may result in adverse determinations by the U.S. Government as regards the proper classification of defense articles manufactured, sold, or brokered by the respondent.
