

What Do You Think About the U.S. EPA's Community Involvement Efforts at the _____ Site?

Purpose for this Questionnaire: *This customer satisfaction survey is meant to help understand how well EPA staff are listening to community member concerns about the cleanup and how well EPA staff make it possible for community members to participate in the planning and decision making process.*

Instructions: *You may be asked some or all of the questions on this questionnaire. This questionnaire should take no more than 15 minutes to complete.*

PRA Burden Statement: This collection of information is approved by OMB under the Paperwork Reduction Act, 44 U.S.C. 3501 et seq. (OMB Control No. 2050-0179). Responses to this collection of information are voluntary (40 CFR 300.430 and 300.435). An agency may not conduct or sponsor, and a person is not required to, respond to a collection of information unless it displays a currently valid OMB control number. The public reporting and recordkeeping burden for this collection of information is estimated to average 15 minutes per response. Send comments on the Agency's need for this information, the accuracy of the provided burden estimates, and any suggested methods for minimizing respondent burden, including through the use of automated collection techniques to the Director, Collection Strategies Division, U.S. Environmental Protection Agency (2822T), 1200 Pennsylvania Ave., NW, Washington, D.C. 20460. Include the OMB control number in any correspondence. Do not send the completed survey to this address.

The U.S. Environmental Protection Agency (U.S. EPA) is cleaning up the contamination at the _____ Superfund site in your community. The U.S. EPA believes the active, meaningful involvement of community members is critical to the success of a cleanup effort. This survey is an opportunity for you to tell us how well we are doing at listening to your concerns about the cleanup and making it possible for you to participate in the planning and decision making process. Please take a few minutes to answer the questions. Your views are important and will help us to be more responsive to your needs and interests.

This survey is being conducted in accordance with the Federal Paperwork Reduction Act Information Collection Request # 1487.13. You will need about 15 minutes to answer the questions.

***Note to surveyors:** It is intended that each survey given will include the introductory paragraph, above, and Section G with the closing disclosure. Sections A-F are optional sections with questions that may be used as a specific situation dictates. This survey is NOT intended to be given in its entirety. The surveyor may also choose, in addition to paper copies, to provide the survey to participants online via commercially available software.
