

**JUSTIFICATION FOR NONSUBSTANTIVE CHANGE
ENVIRONMENTAL PROTECTION AGENCY**

NESHAP for Secondary Aluminum Production (40 CFR Part 63, Subpart RRR)

EPA ICR Number 1894.10, OMB Control Number 2060-0433.

EPA is submitting a nonsubstantive change to consolidate the burden associated with the 2015 rule, which is currently approved under OMB Control Number 2060-0683, with this ICR (2060-0433). Once this consolidation is approved, EPA will discontinue OMB Control Number 2060-0683.
