

WHO IS INCLUDED IN THE 2020 CENSUS OF FERRY OPERATORS?

The geographic scope of the 2020 National Census of Ferry Operators includes the U.S. and its possessions (i.e., the 50 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, and the remaining territories, commonwealths and other political units of the U.S.). This includes political units that are an unincorporated territory of the U.S., maintain a Compact of Free Association with the U.S., or are a commonwealth associated with or in political union with the U.S. In addition to ferry operators providing domestic service within the U.S. and its possessions, operators providing services from locations in the U.S. and its possessions to and from a foreign country are also to be included.

WHO SHOULD COMPLETE THIS CENSUS QUESTIONNAIRE

The specific types of ferry operations to be included within the scope of this census are those providing itinerant, fixed route, common carrier passenger and/or vehicle roll-on, roll-off (RoRo) ferry service, as well as railroad car float operations. More specifically, the following types of operations should complete the census questionnaire:

- Ferry or water taxi operations that have fixed routes between two or more different ports of call.
- Ferry or water taxi operations that provide service on a fixed schedule or on demand within a fixed window of time.
- Common Carriers (e.g. for-hire carriers) who serve the general public at reasonable rates and without discrimination.
- Railroad car float operations that utilize a tug and barge combination having two to three parallel tracks, onto which rail cars are rolled for transit across a body of water.

WHO SHOULD NOT COMPLETE THIS CENSUS QUESTIONNAIRE

The following types of operations will not be included in the National Census of Ferry Operators:

- Non-itinerant ferry operations (e.g., "cruise-to-nowhere" services).
- Excursion services (e.g., whale watches, casino boats, day/dinner cruises, etc.).
- Passenger only water taxi services not operating on a fixed route.
- LoLo (Lift-on/Lift-off) freight/auto carrier services.
- Long distance passenger only cruise ship services.

If you are not sure whether your operation should not be included in the census, please contact the U.S. Department of Transportation, Bureau of Transportation Statistics, at 1-800-853-1351 or email ferry@dot.gov.

WHY THIS DATA IS BEING COLLECTED

The Bureau of Transportation Statistics is conducting a nationwide survey of ferry boat operators for the U.S. Department of Transportation. This census is authorized by law [Fixing America's Surface Transportation Act (P.L. 114-94, sec. 1112)] that requires BTS to maintain a database of existing ferry operations across the United States. The Federal Highway Administration also uses the data collected on passengers, vehicles, and route miles to set the specific formula for allocating federal ferry funds (23 USC 147(d)). Your company's participation in this census is strictly voluntary. By law (5 United States Code 552(b)(4)), any confidential business information we may collect will be kept confidential and will not be made public or shared outside of the U.S. Department of Transportation. Under federal law (18 United States Code 1905), employees and contractors working on this census are subject to penalties if they make public ANY information that could reveal confidential business information. At the end of this census questionnaire, we ask that you identify any information that you consider confidential business information. Please note that information which your business releases to the public on a routine basis or is in the public domain, generally, does not qualify as confidential business information.

PAPERWORK REDUCTION ACT - PUBLIC BURDEN

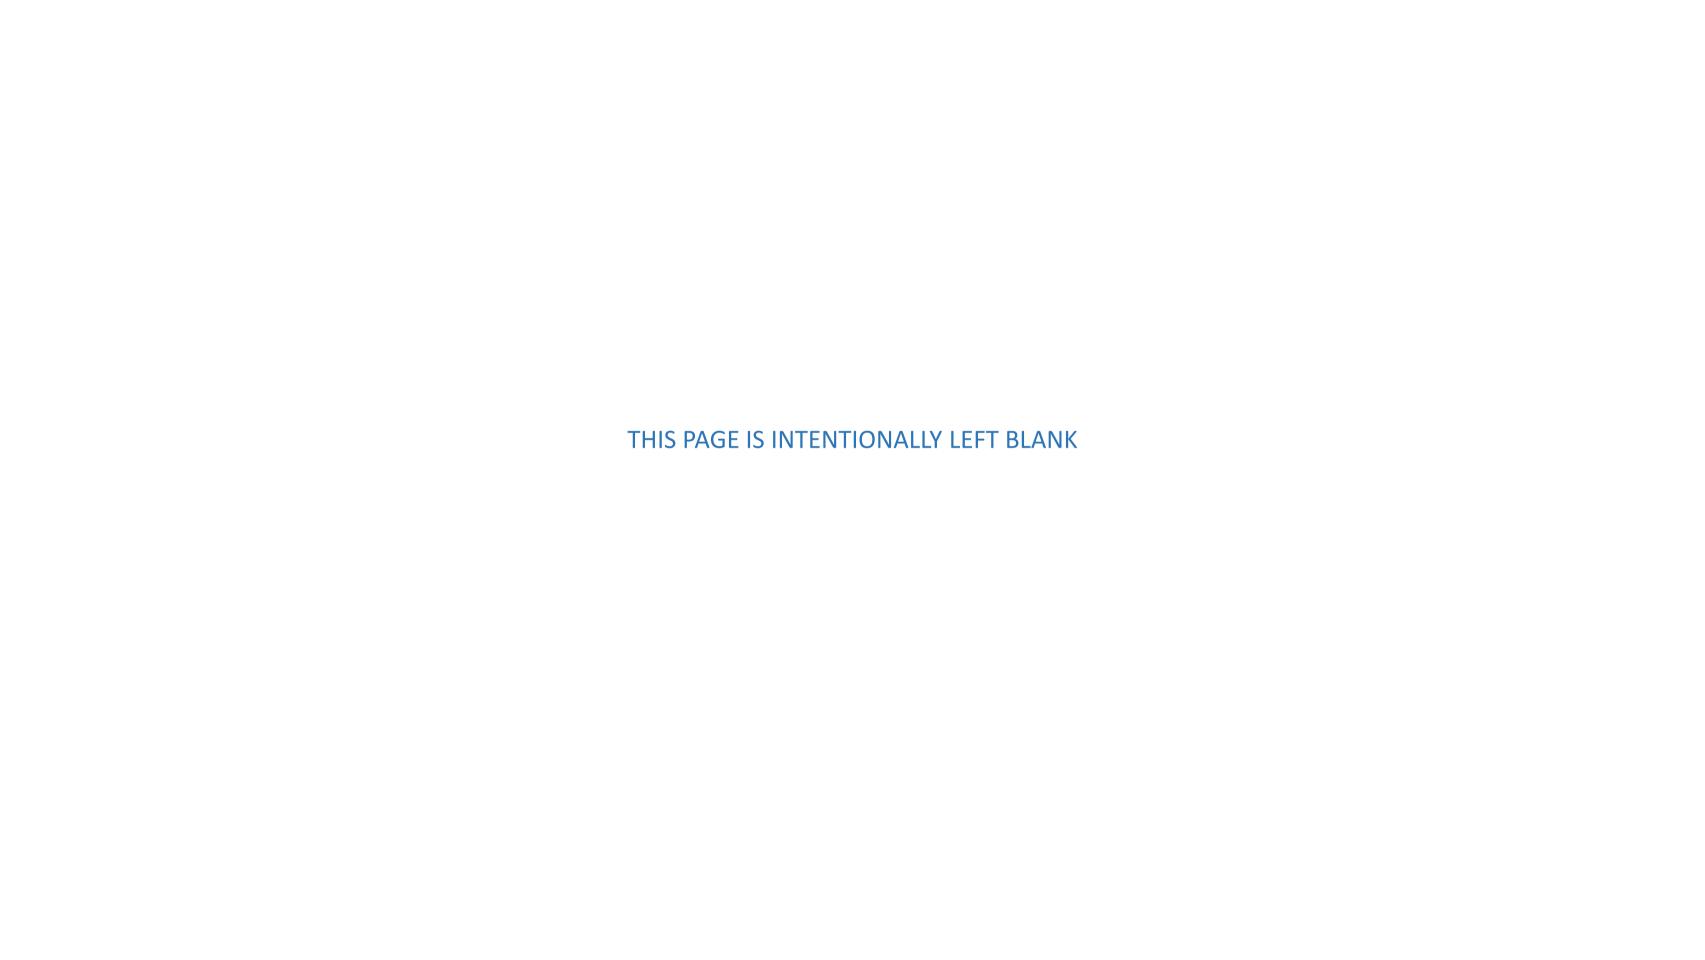

The Paperwork Reduction Act of 1995 states that no persons are required to respond to a collection of information unless it displays a valid Office of Management and Budget (OMB) control number. The OMB control number for this survey is 2139-0009 (Expires 09/30/2019). The time required to complete this information collection is estimated to average 30 minutes per response, including the time to review instructions, search existing data resources, gather data needed, and complete and review the information. If you have questions or comments about this estimate, or the survey, please call 1-800-853-1351 or email Ferry@dot.gov.

USES OF THE SURVEY DATA FOR FUNDING PURPOSES

Information provided on passengers, vehicles, and route miles will be used by the United States Department of Transportation's Federal Highway Administration (FHWA) for funding allocation purposes as outlined by the funding formula described in 23 USC 147(d).

IMPORTANT RESPONDENT INFORMATION

- All information reported should reflect only your calendar year **2019** ferry operations
- Preprinted brochures, schedules, etc. may not be substituted for responses to the items on this census form
- A combination of web-based and paper questionnaires are being utilized for the 2020 census
- Unique operational information has been preprinted on each individual questionnaire for operators who have responded in recent years. If you had any ferry vessels, terminals, and/or route segments in calendar year 2019 that are not preprinted on your questionnaire, please enter the information for those in the blank lines provided. If any pre-printed information is no longer valid for your operation, please update or cross out.
- Please attach additional sheets, if needed. You may photocopy the sheet provided here, or print blank copies from the National Census of Ferry Operators webpage: https://www.rita.dot.gov/bts/sites/rita.dot.gov.bts/files/subject areas/ncfo/ncfo 2019 questionnaire.html
