SUPPLEMENTARY INFORMATION:

Authority: 44 U.S.C. 3501–21.

Title: Supplement to VA Forms 21P–4706b, 21P–4706c and 21P–4718a.

OMB Control Number: 2900–0017.

Type of Review: Reinstatement of a previously approved collection.

Abstract: VA maintains supervision of the distribution and use of VA benefits paid to fiduciaries on behalf of VA beneficiaries who are incompetent, a minor, or under legal disability. The forms are used to verify beneficiaries' deposit remaining at a financial institution against a fiduciary's accounting. The following forms will be used to ensure claimants' benefits payments are administered properly.

(a) VA Forms 21P–4706b and 4706c are used by VA to determine proper usage of benefits paid to fiduciaries. The 21P–4706c is provided to assist VA fiduciaries in conforming to requirements of various State courts.

(b) VA Form 21P–4718a—Fiduciaries are required to obtain certifications that

the balances remaining on deposit in financial institutions as shown on accountings are correct. Certifying official at a financial institution completing the form must affix the institution's official seal or stamp. The data collected is used to confirm appointment of a fiduciary for a VA beneficiary and to prevent fiduciaries from supplying false certification, embezzling funds, and possibly prevent and/or identify fraud, waste and abuse of government funds paid to fiduciaries on behalf of VA beneficiaries.

Without this information, VA would be unable to determine if the veteran's fiduciary is properly using the funds for this benefit according to VA law. The forms were inadvertently allowed to expire due to competing priorities at VA.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information

unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 84 FR 117 on June 18, 2019, pages 28395 and 28396.

Affected Public: Individuals or Households.

Estimated Average Annual Burden: 11,167 hours.

Estimated Average Burden per Respondent: 20 minutes.

Frequency of Response: Annually.

Estimated Number of Respondents: 33,500.

By direction of the Secretary.

Interim VA Clearance Officer, Office of Quality Performance and Risk, Department of Veterans Affairs.
