

Attachment P: Social Media Invitations, User Interviews (Group)

Hey Folks, the National Center for Science and Engineering Statistics (NCSES) is planning to redesign its website. As a part of this, they are looking for volunteers to discuss how they use data and statistical websites for their work. Participants will receive a \$40 Amazon card as a thank you. If you are interested, please go to our screener to confirm your eligibility. [Insert Link to Screener].

Attachment Q: Social Media Invitations, Usability Testing (Group)

Hey Folks, the National Center for Science and Engineering Statistics (NCSES) is planning to redesign its website. As a part of this, they are looking for some volunteers to test new design prototypes. Participants will receive a \$40 Amazon card as a thank you. If you are interested, please go to our screener to confirm your eligibility. [Insert Link to Screener].
