Certification of Qualifying District of Columbia Service Under Section 1905 of Public Law 111-84

Service That Can be Used To Establish Retirement Eligibility Under the Civil Service Retirement System or The Federal Employees Retirement System

Instructions

This certification form must be completed by an agency or independent entity official in which the employee claims qualifying service as defined in section 1905 of the National Defense Authorization Act (NDAA), Public Law 111-84, approved on October 28, 2009. (This law applies to employees covered under the Civil Service Retirement System (CSRS) or the Federal Employees Retirement System (FERS) on or after October 28, 2009). While certain DC government service is allowed to meet retirement eligibility, note the service cannot be used in the computation of the retirement benefit. The agency official is certifying that the employee performed service with the District of Columbia (DC) that is qualifying under section 1905 of PL 111-84 for determining retirement eligibility under CSRS or FERS, or, in the case of (b)(4), the agency or independent entity that appointed the employee. The certifying official is the lead Agency Benefits Officer listed at one of the following agencies or independent entities as follows: Department of Justice, District of Columbia Courts, Court Services and Offender Supervision Agency, Pretrial Services Agency, and the Public Defender Service for the District of Columbia. The lead benefits officers are listed on the OPM website at <https://apps.opm.gov/abo>.

- Make separate entries for each unique period of service described as qualifying service and for each period of qualifying service performed as a Detention Officer as defined in Section 626.04(2) DC Code. Also make separate entries for each:
 - period of service during which the employee performed service under an intermittent work schedule, providing the amount of time worked during the period of intermittent service, and
 - year during which the employee worked full-time or part-time and had leave without pay (LWOP), providing the amount of leave without pay.
- Take into account adjustments made because of intermittent time and/or excess LWOP, enter the amount of creditable service (years, months, days), and then provide the total amount of creditable service at the bottom of the certification.
- Provide the section of 1905(b) under which the service was performed. For purposes of section 1905, “qualifying DC service” means any of the service described below in (b)(1), (b)(2), (b)(3), and (b)(4) **and** for which the individual did not ever receive credit under the provisions of subchapter III of chapter 83 and 84 of title 5, U.S.C. (for reasons other than being excluded from retirement coverage under section 8331(1)(iv)):
 - (b)(1) Service performed by an individual as a nonjudicial employee of the **DC Courts** which was performed prior to the effective date of the amendments made by section 11246(b) of the Balanced Budget Act of 1997. (The certifying official is the lead Agency Benefits Officer at the DC Courts).
 - (b)(2) Service performed by an individual as an employee of an entity of the DC government whose functions were transferred to the **Pretrial Services, Parole, Adult Supervision, and Offender Supervision Trustee** under section 11232 of the Balanced Budget Act of 1997 which was performed prior to the effective date of the individual’s coverage as an employee of the Federal government under section 11232(f) of such Act. (The certifying official is the lead Agency Benefits Officer at the Court Services and Offender Supervision Agency (CSOSA) or if applicable, the Pretrial Services Agency within CSOSA).
 - (b)(3) Service performed by an individual as an employee of the **Public Defender Service for the District of Columbia** which was performed prior to the effective date of the amendments made by section 7(e) of the DC Courts and Justice Technical Corrections Act of 1998. (The Public Defender Service for the DC is an independent federally funded organization, not subject to title 5 of the U.S.C.; however, its employees are covered under CSRS and FERS). (The certifying official is the lead Agency Benefits Officer at the Public Defender Service).
 - (b)(4) Service performed by an individual who was an employee of the DC Department of Corrections who was separated from service as a result of the closing of the **Lorton Correctional Complex** and who was appointed to a position with one of the following entities. (The certifying official is the lead Agency Benefits Officer at the appropriate agency/independent entity listed below and certifies in conjunction with the list of employees who separated as a result of the closing of the Lorton Correctional Complex. This list of former Lorton Correctional complex employees was prepared by the DC Government and submitted to the lead Agency Benefits Officers via OPM in May 2010).
 - Bureau of Prisons (Department of Justice)
 - US Parole Commission (Department of Justice)
 - DC Courts (District of Columbia Court of Appeals and Superior Court of the District of Columbia)
 - Court Services and Offender Supervision Agency (CSOSA)
 - Pretrial Services Agency (An independent entity within CSOSA)
 - Public Defender Service for the District of Columbia
- If the employee was a Detention Officer as defined in Section 1-626.04(2) DC Code during the qualifying service, check “yes” under the “Detention Officer” column. Check “no” in that column if the employee was not a Detention Officer during the period entered.
- File the completed certification form on the permanent side of the employee’s Official Personnel Folder (OPF) or electronic official personnel folder (eOPF) until the employee separates for retirement or dies.
- Forward the original certification form, and any other such certification forms that may be already on file in the OPF or eOPF, to the Office of Personnel Management when the employee retires or dies.
