A Message from the Associate Director of Retirement Services

Dear Friend:

The U.S. Office of Personnel Management serves over 2.5 million Federal annuitants and survivor annuitants. We work to provide high quality retirement benefit services to you, our customers. You earned these benefits by serving your country, and we must provide services that match the commitment you made to public service.

This survey collects feedback on satisfaction with our retirement program products and services. You were selected from a random sample of Federal annuitants and survivor annuitants. Your participation is voluntary, and any information you provide will be kept confidential. This information will help us determine areas that need improvement. Annuitants selected for this survey who registered their email address with us will receive the survey via an email link. If you would like annual mailers, IRS 1099R's and electronic messages delivered securely to your email address, please visit www.ServicesOnline.OPM.gov to learn how to register.

We will report the survey results to the President and Congress so they can assess how we are doing on meeting our goals and carrying out our mission: Recruiting, Retaining, and Honoring a World-Class Workforce to Serve the American People. One way we do this is by maintaining a world-class benefits program. Your participation in this survey will help us build the workforce. This means you continue to serve your country, and for that, we thank you.

Sincerely,

A handwritten signature in black ink that reads "Kenneth Zawodny".

U.S. Office of Personnel Management Retirement Services FY 2014 Customer Satisfaction Survey

Purpose of this Survey

Every year the Office of Personnel Management (OPM) sets new goals for improving the retirement services we provide to Federal annuitants. To reflect how well we meet these goals, our survey focuses on retirees who had a transaction with us during the last year (*from October 1, 2013*). This includes ***Long-Time Retirees*** (*retired before October 1, 2013*) who contacted us for service regarding their retirement accounts, and ***New Retirees*** (*retired on or after October 1, 2013*) who initially applied for retirement benefits or contacted us for service regarding their new accounts.

Instructions

Please read the instructions carefully. Respond directly in the survey booklet, using pen or pencil. If you wish to change a response, erase it or cross it out. Some questions may not pertain to you; please mark these with the “No Basis to Judge” response. For most of the questions, you will mark only one response, but a few questions noted as “Mark ALL that apply” allow for multiple responses. The last section of this survey is for ***New Retirees; Long-Time Retirees*** should not answer questions in the last section. If you wish to make written comments for any question, space is provided at Question 42, page 10. If you would like to be interviewed by OPM Retirement Services to provide additional feedback about your response to this survey, please provide contact information on page 10.

Please return the completed questionnaire in the postage-paid envelope within 14 days to:

Frequently asked questions about the Customer Satisfaction Survey

What is the cost of doing the survey?

Printing and mail/return postage costs about \$3,000. This is mostly a one-person task, with a GS-13 program analyst devoting about ten percent of annual staff hours to producing the survey and analyzing the results.

Will the survey ever be available on-line?

The 2014 survey will be available on-line to some of our customers. Annuitants chosen for this survey by our random selection process and having a registered email address with OPM will receive an email link to the survey. Annuitants chosen but not having a registered email address will receive the survey via postal mail. To assure that only annuitants in the random selection process take the survey, we have not placed the survey on the OPM website. We may do so in the future.

How is the validity of the survey results assured?

The survey results are subject to random audits by OPM's Office of the Inspector General.
