

In search of fluent Spanish-speaking small business owners.

Get paid for your opinions.

Are you a native Spanish-speaking Latino/Hispanic person who owns a small business?

Have you contacted the SBA within the past 9 years?

If so, we'd love to hear from you.

Each person who completes an interview will receive \$75.00.

The U.S. Small Business Administration (SBA) is conducting telephone interviews to learn how to better serve the needs of Spanish-speaking small business owners. Each interview is approximately 45 minutes in duration and will include you and one or two other participants like you. Everything you say will be kept confidential.

We are an established market research company contracted by the SBA. We are not selling anything.
