Community Supported Agriculture

Section 1: Qualifying Questions for the Directory

For the purposes of this Directory, a **community-supported agriculture (CSA) enterprise** is defined as a farm or network/association of multiple farms that offer customers regular (usually weekly) deliveries of locally-grown farm products during one or more harvest season(s) on a subscription or membership basis. Customers have access to a selected share or range of farm products offered by a single farm or group of farmers based on partial or total advance payment of a subscription or membership fee.

1. Does this enterprise qualify as a CSA enterprise as defined above?
(_) Yes (_) No, this enterprise does not qualify as a CSA enterprise
2. Does your CSA operate in [current year]?
(_) Yes (_) No

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0169. The time required to complete this information collection is estimated to average 8 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
