FOLLOW-UP WEB SURVEY INTERVIEW PLANNING EMAIL

Subject: [not FSMC: Please complete the SNMCS-II follow-up web survey] [FSMC: Please submit SNMCS-II financial documentation]

OMB Control Number: 0584-XXXX Expiration Date: XX/XX/XXXX
--

Dear [SFA Director]:

I hope you had a nice summer. I am contacting you today as part of the USDA School Nutrition and Meal Cost Study II (SNMCS-II) to:

1. [not FSMC: Ask you to complete a web survey]
2. Request final financial documentation for SY 2019-2020
3. Schedule our follow-up interview

[Not FSMC: Before our interview, we ask that you complete a web survey to gather information about the meals served in your SFA for the entire SY 2019-2020, the number of days operating school meals, and other food service operations information for the year.] Your participation in this part of the study is very important because we are gathering information on the final costs and revenues for SY 2019-2020. Please click on the link below to [not FSMC: access and complete the survey] [FSMC: submit final financial documentation for SY 2019-2020, including expense statements, revenue statements, and other documentation specific to the FSMC that we discussed last school year] by [DATE].

Survey web site: [Link]

[Not FSMC: At the end of the survey, we will ask that you submit final financial documentation for SY 2019-2020, including expense statements, revenue statements, and other documentation specific to your SFA that we discussed last school year.]

Lastly, please let me know your availability for the interview, which we will conduct over the phone with screen-sharing. The interview will take about two hours to complete and will review your [not FSMC: SFA's] final revenues and expenses, including indirect costs. Similar to last spring, staff with the most knowledge of these statements should be present during the interview. Please reply to this email with some two-hour blocks you—and other staff, as needed—have available during the following three weeks. We will follow-up with you to schedule an exact time for the interview.
