Abstract: This information collection is necessary for Forest Service Law Enforcement and Investigations (LEI) personnel to authorize a rider who applies to participate in the Ride-Along

The program is intended to enhance Forest Service law enforcement community relationships, improve the quality of Forest Service customer service, and provide LEI personnel a recruitment tool. Rural Utilities Service

Announcement of Application Deadlines and Requirements for Section 313A Guarantees for Bonds and Notes Issued for Utility Infrastructure Loans for Fiscal Year (FY) 2019

AGENCY: Rural Utilities Service, USDA.

ACTION: Notice of Solicitation of Applications (NOSA).

SUMMARY: The Rural Utilities Service (RUS), an agency of the United States Department of Agriculture (USDA), announces the application window and requirements and \$750 million in loan funding that is available for Fiscal Year (FY) 2019 under the Guarantees for Bonds and Notes Issued for utility infrastructure loans (the 313A Program) authorized under the Rural Electrification Act of 1936, as amended (the RE Act), and related terms. The Agriculture Improvement Act of 2018 (the Farm Bill), enacted on December 20, 2018, amended Section 313A of the RE Act. Applications under this NOSA will be considered under the new statutory provisions. Those provisions supersede any prior inconsistent policy, regulation or guidance. The Farm Bill instructs RUS to continue to carry out this program under a Notice until new regulations are implemented. RUS is developing regulatory changes to implement new Farm Bill provisions related to this program and others. This NOSA implements the new 313A Program provisions until further notice or regulation.

Under the 313A Program, in accordance with the Farm Bill, the Federal Financing Bank (FFB) will make loans to the selected applicant(s) and RUS will guarantee the applicant(s)'s repayment of the loans to FFB. The Farm Bill amended the RE Act to allow selected applicants to use the proceeds of loan funds made available under this NOSA for the 313A Program to make utility infrastructure loans (which includes broadband loans) or to

refinance, subject to certain limitations, bonds or notes issued for such purposes to an applicant that has at any time received, or is eligible to receive, a loan under the RE Act. In addition, the Farm Bill amendments to the RE Act removed the prohibition against the use of proceeds of loan funds made available under the 313A Program for projects for the generation of electricity.
