

Survey Purpose & Description

OMB Control #0693-0033

Expiration Date 07/31/2022

This survey is being provided to organizations that participated in the 2020 Pledge to America's Workers Presidential Award process. Your input will be used to improve the award process. Providing the name of your organization is optional but allows us to target and address gaps in the process. Your honest and complete feedback is appreciated. Thank you in advance for completing this survey.

1. Enter your organization's name (optional)

2. How likely is it that you would recommend the Pledge to America's Workers Presidential Award to a professional colleague or to a key customer, partner, or supplier?

7. Is there any additional information you would like to give at this time?

OMB Control # 0693-0033

Expiration date: 07/31/2022

A Federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with an information collection subject to the requirements of the Paperwork Reduction Act of 1995 unless the information collection has a currently valid OMB Control Number. The approved OMB Control Number for this information collection is 0693-0033. Without this approval, we could not conduct this information collection. Public reporting for this information collection is estimated to be approximately 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information collection. All responses to this information collection are voluntary to obtain benefits. Send comments regarding this burden estimate or any other aspect of this information collection, including suggestions for reducing this burden to the NIST at 100 Bureau Drive, Mail Stop 8970 Gaithersburg, MD 20899-8970, Attn: Robert Fangmeyer, Director Baldrige Program, or email robert.fangmeyer@nist.gov.
