

## Reminder Email for Research Study: A Standard Framework for Composable Information Flow Modeling to Characterize the Sustainability of Product Manufacturing

Dear < <name>&gt;,</name>
I am writing to remind you to participate in the research study investigating performance measurement of manufacturing systems. The study involves a brief anonymous survey, expected to take approximately 15 minutes to answer a set of 13 questions. The survey is accessible online via the following link: <a href="https://oregonstate.qualtrics.com/jfe/preview/SV_elF3LmHNyXbUcjb">https://oregonstate.qualtrics.com/jfe/preview/SV_elF3LmHNyXbUcjb</a>
If you would like additional information about this study, please contact the investigator, Dr. Karl Haapala, by phone at 541.737.3122 or email at <a href="mailto:karl.haapala@oregonstate.edu">karl.haapala@oregonstate.edu</a> .
Thank you for considering this research opportunity.
