

Survey of the Thermal Analysis Community's DSC-Related Reference Material Needs

This survey will be disseminated as a fillable pdf form sent as an email attachment. The accompanying e-mail text is as follows:

Hello,

In an effort to evaluate and focus NIST's DSC-related reference material program efforts to best serve the thermal analysis community, we invite you to provide feedback regarding your experience with and requirements for DSC calibration materials. Your participation would be greatly appreciated. This brief survey, which is attached to this email as a fillable form, should take 5 – 10 minutes to complete. Please return your completed survey to tara.fortin@nist.gov by June 1, 2019. Any questions may also be addressed to that same email address. Thank you in advance for your help.

Best regards,

Dr. Tara Fortin
