11. Nomination to the Board of Examiners

If your organization is eligible to apply for the Baldrige Award in 2019, you may nominate one senior member from your organization to the 2019 Board of Examiners.

Nominees are appointed for one year only. Nominees

- **must not have served previously on the Board of Examiners** and
- must be citizens of the United States, be located in the United States or its territories, and be employees of the applicant organization.

The program limits the number of examiners from any one organization. If your organization already has representatives on the board, nominating an additional person may affect their reappointment.

Board appointments provide a significant opportunity for your organization to learn about the Criteria and the evaluation process. The time commitment is also substantial: examiners commit to a minimum of 200 hours from April to August, including approximately 40-60 hours in April/May to complete self-study, four days in May to attend Examiner Preparation, and 95–130 hours from June through August to complete an Independent and Consensus Review. If requested by the program, examiners also participate in a Site Visit Review of approximately nine days. The nominee or the organization must cover travel and housing expenses incurred for Examiner Preparation.

Mr. Mrs. Ms. Dr.

from our organization will serve on the 2019 Board of Examiners.

Email address

I understand that the nominee or the organization will cover travel and hotel costs associated with participation in Examiner Preparation. I also understand that if my organization is determined to be ineligible to apply for the Baldrige Award in 2019, this examiner nomination will not be considered for the 2019 Board of Examiners.
