Examiner Application - Time Commitment

All applicants: Please consider carefully the time commitment required to meet the award review schedule.

Serving on the Board of Examiners requires a completed self-study, training for and completion of an Independent Review and a Consensus Review of an award application, typically about 200 hours between April and August. Self-studies must be completed satisfactory in order to be admitted to the classroom training session. Additionally, 25-30% of our examiners complete a site visit, a commitment of up to an additional 150 hours during September and October, including a seven-day trip to an award applicant's work site and a team report for the applicant. While site visit work is a large time commitment, we strongly encourage our examiners to make themselves available for the opportunity. Most of our examiners say that the site visit is the most rewarding part of an examiner's work.

You must be able to accommodate the schedule set by your evaluation team during all phases of the evaluation process--even if your work requires temporary or extended travel or residence outside the United States.

You will be able to complete portions of the work at your workplace or home via telephone and secure website. You will need to travel only for training and site visits (if assigned).

| Dates | Participants | Activity | Approximate Time Commitment |
|-------------------|---------------------|---|-------------------------------|
| April-May | All Examiners | Self-study Classroom training in Maryland | 30-40+ hours 3-4 days |
| May-June | | Independent Review | 50-70 hours |
| June-August | | Consensus Review (including planning, preparation, consensus calls, and postcall work) | 45-60 hours |
| August-September | 25-30% of the board | Site visit planning | 20-30 hours |
| September-October | | Site visit | 6-7 days, 14-16 hours per day |

I have read, I understand, and I commit to the time requirements of the award cycle for members of the Board of Examiners. *

Examiner Application - Examiner Preparation Course Schedule

As a member of the Board of Examiners, you will participate in training and development activities, including online and classroom training. In addition, new examiners complete an orientation program. Senior and Master Examiners also participate in a customized program tailored to developing the skills needed to lead examiner teams.

Regardless of your years of service on the board, you will need to attend the Examiner Preparation Course. The training weeks are shown below. Please note these time frames on your calendar.

In 2019, the Baldrige Program will offer three weeks of Baldrige examiner training in Gaithersburg, Maryland.

Preliminary Schedule for Examiner Classroom Training:

National Baldrige Examiner Training in Gaithersburg, MD - All examiners

- April 23 - 26
- April 30 - May 3
- May 7 - 10

The Baldrige Program covers the cost of prework materials and the examiner training course at the Gaithersburg, MD location. Examiners or their employers must cover travel costs associated with examiner training. Additionally, the Baldrige Program covers all travel-related costs for site visits.

If you are selected to serve on the board, you will be asked for your preferred training dates.

NOTE: Classes are filled on a first-come, first-served basis. We will make every effort to honor your first choice. New, Senior, and Master Examiners will attend four days of training. Returning Examiners will attend three days (Wednesday - Friday) of the training week.

I have read this schedule and I commit to it, understanding that I must attend training and stay for the entire session. *

Examiner Application - Code of Ethical Conduct

Members of the Board of Examiners (members) for the Malcolm Baldrige National Quality Award pledge to uphold their professional principles in the fulfillment of their responsibilities as defined in the administration of Public Law 100-107, the Malcolm Baldrige National Quality Improvement Act of 1987. The Board of Examiners Code of Ethical Conduct establishes accountability for these principles.

Four principles are the foundation of the Code of Ethical Conduct. These principles are intended to protect the interests of all key stakeholders, including applicants, examiners, judges, and the program, creating a safe and empowering environment for all to engage, share, learn, and improve. Known violations should be reported as soon as practical to the BPEP Director, who will not release the source of the information without permission.

Principle 1: Protect the Integrity of Baldrige

Members will make sound decisions related to conflicting or competing interests, as well as do their part to ensure that all organizations are evaluated consistently for the Baldrige Award and other Baldrige assessments. Violations of this principle include, but are not limited to, the following examples:

- Representing conflicting or competing interests or placing themselves in such a position where their interest may be in conflict—or appear to be in conflict—with the purposes and administration of the Baldrige Award or other Baldrige assessments. This includes being employed by, being a supplier or customer of, having a financial interest in, or having a consulting arrangement with a competitor or competing interest, present or future
- Approaching an organization they have evaluated or reviewed in another examiner role on behalf of the Baldrige Program (e.g., technical editor or external site visit monitor) for personal gain or accepting employment from an organization they have evaluated within five years of the evaluation
- Using information gained from sources other than the award applicant or organization being assessed, such as information gathered from the press, websites, social media, examiners, or any other outside sources
- Intentionally communicating false or misleading information that may compromise the integrity of the Baldrige Program, award process, or decisions therein

Principle 2: Exhibit Professional Conduct at All Times

Members will conduct themselves professionally, guided by truth, accuracy, fairness, respect, thoughtfulness, and responsibility in all their interactions. Violations of this principle include, but are not limited to, the following examples:

- Failing to respect the climate, culture, and values of organizations being evaluated when participating in site visits
- Failing to demonstrate respect for all individuals involved with the Baldrige Program or award process. Examples of this violation are subjecting individuals to harassment, degradation, intimidation, or humiliation
- Independently giving feedback to applicants regarding scoring or overall performance
- Sharing their number of years of service as an examiner or promoting/advertising their services *while performing as an examiner*
- Using Baldrige Program/Award logos in advertising or promotion. Note: Upon completion of the Examiner Preparation Course, examiners may use the following designation for one year, except on business cards: Examiner, Malcolm Baldrige National Quality Award (MBNQA)

Principle 3: Protect the Promise of Confidentiality

Members will safeguard the confidences of all parties involved in the judging or examination of present or former applicants so that the integrity of the Baldrige Award or award process is not compromised. Violations of this principle include, but are not limited to, the following examples:

- Disclosing the identity of or other information about the applicant to anyone other than the examiner's team, the judge involved in the examination, or the Baldrige staff members involved in the examination during or at any time after the review process
- Copying applicant information of any kind. Note: Copying information from inside the Baldrige Program's encrypted, secure database to other documents within the database is permitted as necessary
- Retaining applicant information beyond the Consensus Review (or Site Visit Review, if applicable)
- Communicating applicant identity or other applicant information through e-mail, social media, or any other electronic or written means outside of the Baldrige Program's secure database
- Communicating applicant identity or other information via cell phone, VOIP, or wireless devices unless authorized by the applicant
- Using or adapting applicant information subsequent to the review process, unless the information is publicly released by the applicant
- Communicating with the applicant during Independent Review and/or Consensus Review, unless the examiner is a designated participant of the official Independent Review call with the applicant
- Communicating directly with the applicant during site visits about matters other than verifying and clarifying information in the consensus scorebook, unless the examiner is the team leader or backup team leader
- Requesting/reviewing *individual* customer, stakeholder, or workforce member data and information during the Site Visit Review process

Principle 4: Protect the Program's Intellectual Property

Members will make sound decisions related to the use of Baldrige Program materials, trademarks, logos, and information contained within the program's website. Violations of this principle include, but are not limited to, the following examples:

- Establishing links from their own website to the National Institute of Standards and Technology (NIST) or Baldrige Performance Excellence Program (BPEP) website without making it clear that users will be taken to official NIST websites
- Failing to acknowledge the use of trademarks owned by NIST, including those for NIST, the Quest for Excellence, and the Malcolm Baldrige National Quality Award, along with the statement indicating the trademark is registered by NIST
- Making or sharing unauthorized copies of the Baldrige Excellence Framework or any other Baldrige Program publications

Furthermore, board members enhance and advance the Malcolm Baldrige National Quality Award as it serves to stimulate U.S. organizations to improve overall performance. All board members pledge to abide by this Code of Ethical Conduct.

I certify that I have read the Code of Ethical Conduct and I agree to abide by it. *

This includes disclosure of organizations in which you have financial holdings or other affiliations (pensions, donations, volunteerism, etc.) that may present or seem to present a conflict of interest for you.

Recommendation Providers

For your application to be considered, two individuals must submit recommendations on your behalf via the online system by the application deadline. **Applications without two recommendations will not be accepted. No other form of recommendation is accepted. Recommenders may not be relatives, friends, or sitting members of the Baldrige Program's Panel of Judges.** We suggest that you select recommenders early to give them sufficient time to respond. **Recommendations will not be received or accepted after the application deadline.** NOTE: If you are a state examiner, one recommendation from state program director is strongly encouraged.

Following are steps for selecting and notifying your recommenders:

1. Identify up to four recommenders.
2. Click on the "Add Recommendation Provider" button to enter the name and email address of the first recommender. When you save the recommender information, the recommender will receive an email containing a link to the online system and a personal access code enabling him or her to log in and complete the recommendation. Add up to three more recommenders in the same way. Once the recommenders have logged in and begun their recommendations, a date will appear on the "Started" line under the "Status" column, and you will no longer be able to edit their information.
3. Monitor your email for notification that the Baldrige Program has received a completed recommendation. We will add only the two newest recommendations received to your file, and you may not delete a recommendation after the program has received it.
4. If you wish, once you have received two notifications, delete the remaining recommenders. If you decided to remove them, deleting the recommenders will generate an email informing them that you no longer require their recommendations.
5. If you wish, send reminder emails to your recommenders by clicking "Send Email."
