NIH remains focused on protecting NIH staff and patient health and safety while continuing to further our mission. The purpose of this survey is to assess the number of NIH federal employees who are interested in voluntarily returning to the physical workplace as a part of Group C. Your feedback will help the NIH Coronavirus Response Team as they consider when and how we may proceed with Group C at our various worksites.

The survey should take about 5 minutes to complete and all of your responses will be kept confidential. Responses will be aggregated by the Office of Human Resources and summary data will be shared with the NIH Coronavirus Response Team. If you encounter technical difficulties with the survey, please submit an HR help desk ticket at [https://nihohrweb.nih.gov:1010/WITS\\_IntraHR/WITSHome.aspx](https://nihohrweb.nih.gov:1010/WITS_IntraHR/WITSHome.aspx)
