

Public reporting burden for this collection of information is estimated to average 30 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA#0925-0648. Do not return the completed form to this address.

**Phone call script for authors:**

Hello Dr. {{name}},

Thank you for publishing an article in *Alcohol Research: Current Reviews*. I would like to ask you a few questions to help us improve our publishing process. Your answers will be held in strict confidence and will be used only to improve the *ARCR* article submission and writing process.

1. How was your experience with the submission process?
2. How was your experience with review process?
3. How was your experience with the copyediting and proof review process?
4. What do you wish you had known before agreeing to author an article?
5. Would you recommend writing an article in *ARCR* to your colleagues?
6. Is there any additional feedback that you would like us to know?

Thank you for talking with me.
