

2019 Run Selector Survey

We want to improve NCBI's products and services. We would like to learn more about how this site helps you with your work, and what we can do better. Please click "next" below to get started.

OMB Control Number: 0925-0648

Expiration Date: 05/31/2021

Public reporting burden for this collection of information is estimated to average 4 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a current valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to NIH Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0648). Do not return the completed form to this address.

1. Which professional category best describes you? Please select only one.

- Bioinformatics professional
 Life Science Researcher
 Educator
 Student
 Healthcare professional
 Technician
 Librarian / Information Specialist
 Computer Scientist / Software Developer
 Other (please specify)

2. Please pick one category that best describes your organization.

- College or University
 Research Institute
 Commercial / Industry
 Government
 Non-profit Organization
 Hospital/health care organization
 Other (please specify)

3. When you search for and retrieve SRA data, do you primarily do so for yourself or on behalf of others in your organization?

- Primarily for myself
 Primarily for others

4. How do you like to search for SRA data? Please select all that apply.

- Command line
 Graphical user interface (GUI)
 API
 Other (please specify)

5. What types of SRA data have you ever needed or think you will need in the future? Please check all that apply.

- Public SRA data
 Restricted access SRA data (e.g. dbGaP)

6. If there was one thing you could change about SRA Run Selector, what would it be?

7. Where do you go for help with SRA Run Selector search and retrieval? Please select all that apply.

- SRA help documentation
 Lab mates
 BioStars (or other online forum)
 Twitter
 YouTube
 Contact SRA or NCBI helpdesk
 Other (please specify)

8. How do you currently use the cloud in sequence data analysis? Please check all that apply.

- Download (retrieve)
 Compute
 Both compute and download
 I don't use the cloud for sequence data analysis
 I don't know what the cloud is

9. If SRA data were in the cloud, how would you want to work with it? Please select all that apply.

- Download
 Compute
 Both compute and download
 Would not want to use it from the cloud

10. If you have ever analyzed or considered analyzing sequence data in the cloud, which of the following aspects did you or would you find the most challenging? Please select one.

- Obtaining an account
 Log-in process
 Billing process
 Performance
 Cost
 Difficulty using data or working in the cloud
 Other (please specify)

11. How likely is it that you would recommend the Run Selector to a friend or colleague?

Not at all likely

Extremely likely

0	1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	---	----
