It shows what the EOB might look like for a member who has only a couple of prescriptions filled during the month and does not have any updates to the formulary.

SECTION 2. Which “drug payment stage” are you in?

As shown below, your Part D prescription drug coverage has “drug payment stages.” How much you pay for a covered Part D prescription depends on which payment stage you are in when you fill it. At this time, there are no new or upcoming changes to our Drug List that affect the coverage or cost of drugs you take. (By “drugs you take,” we mean any plan-covered drugs for which you filled prescriptions in 2019 as a member of our plan.)

What if you have problems related to coverage or payments for your drugs?

Your *Evidence of Coverage* has step-by-step instructions that explain what to do if you have problems related to your drug coverage and costs. Here are the chapters to look for:

- Chapter 7. Asking the plan to pay its share of a bill you have received for covered services or drugs
- Chapter 9. What to do if you have a problem or complaint (coverage decisions, appeals, complaints)

Here are things to keep in mind:

- When we decide whether a drug is covered for you and how much you must pay, it’s called a “coverage decision.” If you disagree with our coverage decision, you can appeal our decision (see Chapter 9 of the *Evidence of Coverage*).
- Medicare has set the rules for how coverage decisions and appeals are handled. These are legal procedures and the deadlines are important. The process can be done if your doctor tells us that your health requires a quick decision.
