Abstract: The regulations at 25 CFR 36, Subpart G, Home-living Programs, implement section 1122 of the Native American Education Improvement Act of 2001 (Pub. These regulations require the BIE to implement national standards for home-living situations in all BIE-funded residential schools. The BIE must collect information from all BIE-funded residential schools in order to assess each school's progress in meeting the national standards. Submission of this information allows the BIE to ensure that minimum academic standards for the education of Indian children and criteria for dormitory situations in Bureau-operated schools and Indian-controlled contract schools are met.

Abstract: This notice identifies an information collection activity that the Office of Financial Management has submitted to OMB for approval for the Department and its bureaus to continue to collect information from proposed donors relative to their relationship(s) with the Department. The Department and its individual bureaus have gift acceptance authorities. In support of the variety of donation authorities in the Department and increasing numbers of donations, it is the policy of the Department to ask those proposing to donate gifts valued at \$25,000 or more to provide information regarding their relationship with the Department. The purpose of this policy is to ensure that the acceptance of a gift does not create legal or ethical issues for the Department, its bureaus, or potential donors. The information will be gathered through the use of a form that collects information relevant to the acceptability of the proposed donation in conformance with the Department’s donations policy. The form is completed and certified by the prospective donor then submitted to the Department or its bureau for review. Having the donor certify his or her interactions with the Department gives the staff vetting the proposed donation basic information to be verified, resulting in a more efficient and timely donation review process.

The information collected is as follows:
