

ATCS - State Coordinator Survey - Copy

Start of Block: Default Question Block

The Justice Programs Office (JPO) at American University, on behalf of the Bureau of Justice Assistance (BJA), is conducting the State Coordinator Survey as part of the Annual Treatment Court Survey Series. The information you provide in this survey will contribute to a better understanding of treatment courts throughout the country.

Your Participation

You will be asked a series of questions about treatment courts in your state/territory. Questions address how many exist, who they serve, and how they operate, as well as your perceptions about their successes and challenges. The survey may take up to 30 minutes to complete based on available information and the length of your responses.

Risks and Benefits

Your participation is completely voluntary and poses little risk to you. Your responses will be de-identified, meaning that answers will be kept separate from identifying information through the use of assigned code numbers. Further, results will be reported in aggregate for the entire group as a whole (e.g., 90% of states/territories have policies on medication-assisted treatment).

For your participation, you will receive the final report the survey results. Additionally, you will be directly contributing to the learning and improvement of treatment courts and the treatment court field.

Contact Information

If you have questions about the survey, please contact JPO at 202-885-1580, Dr. Julie Baldwin at jbaldwin@american.edu, or Mr. Zephi Francis at zfrancis@american.edu.

You may also contact the AU Research Compliance Manager at 202-885-3447.

Consent

To participate, please click "I consent" below to continue to the survey.

I consent.

2 Please provide the following professional information.

Information will only be used to send you the final report and in the event that JPO staff needs to contact you for follow-up.

Name: _____

Email address: _____

Phone number: _____

Q51 What is your current position?

Q41 How long (number of years) have you worked in your current position?

3 How many treatment courts are **currently operating** in your state/territory? Treatment courts are defined as courts that handle an underlying condition (e.g., a mental health or drug issue) contributing to criminal behavior using nontraditional judicial proceedings and treatment with team-based services.

	Adult Only	Juvenile Only	Family	Campus
Co-occurring disorder court				
Domestic violence court				
Drug court				
DWI or DUI court				
Gun court				
Homeless court				
Human trafficking court				
Mental health court				

Opioid court				
Re-entry court				
Sex offender court				
Sex trafficking or prostitution court				
Tribal healing to wellness court				
Truancy court				
Veterans treatment court				
Young adult court				
Other (Please specify):				

5 Are there treatment courts in your state/territory that are **expected to be implemented** in CY2019 (January 1, 2019 through December 31, 2019)?

- No
- Yes
- Don't know

6 How many treatment courts are **expected to be implemented** in CY2019 (January 1, 2019 through December 31, 2019) in your state/territory? Enter numbers for all that apply. For categories where no courts are being planned, leave blank.

Q54 As a matter of policy, does your state/territory require medication assisted treatment (MAT) training for treatment court staff?

- No
- Yes
- Don't Know

Q55 Have state- or territory-level administrative staff who work with or on treatment court teams received training on administering medication assisted treatment (MAT)?

- No
- Yes
- Don't Know

Q56 Does any state or territorial agency or organization offer medication assisted treatment (MAT) training for treatment court staff?

- No
 - Yes
 - Don't Know
-

Q57 Which organization(s) offers the medication assisted treatment (MAT) training?

28 Does your state/territory have uniform policies regarding medication assisted treatment (MAT) for treatment court participants?

- No
- Yes
- Don't know

29 Which best describe the policies related to MAT for treatment court participants in your state/territory? Please select all that apply.

- Evaluated on a case-by-case basis
- Prohibited
- Routinely permitted based on a valid medical prescription
- Other (Please describe):

Q58 As a matter of policy, does your state or territory require medical marijuana training for treatment court staff?

- No
- Yes
- Don't Know

Q59 Have state- or territory-level administrative staff who work with or on treatment court teams received training on medical marijuana use in treatment courts?

- No
- Yes
- Don't Know

31 Does any state or territorial agency or organization offer medical marijuana use training for treatment court staff?

- No
- Yes
- Don't Know

Q61 Which organization(s) offers the medical marijuana use training?

Q62 Does your state/territory have uniform policies regarding medical marijuana use for treatment court participants?

- No
- Yes
- Don't know

Q63

Which best describe the policies related to the use of medical marijuana among treatment court participants in your state/territory?

Please select all that apply.

- Evaluated on a case-by-case basis
- Prohibited
- Routinely permitted based on a valid medical prescription
- Other (Please describe):

Q52 Does your state or territory have a policy or policies requiring cultural competency training for treatment court staff?

- No
 - Yes
 - Don't Know
-

Q53 Have state- or territory-level administrative staff who work with or on treatment court teams received training on cultural competency in treatment courts?

- No
 - Yes
 - Don't Know
-

Q64 Does any state or territorial agency or organization offer cultural competency training for treatment court staff?

- No
 - Yes
 - Don't Know
-

32 Which organization(s) offers the cultural competency training?

Page Break

30 Does your state or territory require racial and ethnic disparities training for treatment court staff as a matter of policy?

- No
 - Yes
 - Don't Know
-

33 Have state- or territory-level administrative staff who work with or on treatment court teams received training that provides strategies for reducing racial/ethnic disparities in treatment courts?

- No
 - Yes
 - Don't Know
-

Q51 Does any state or territorial organizations offer reducing racial and ethnic disparities training for treatment court staff?

- No
 - Yes
 - Don't Know
-

Q49 Which organization(s) offers the racial and ethnic disparities training?

Page Break

34 Does the state/territory track data on racial and ethnic disparities in treatment courts?

- No
 - Yes
 - Don't Know
-

35 Does the state/territory track data on gender disparities in treatment courts?

- No
 - Yes
 - Don't Know
-

36 Does your state/territory use an integrated, electronic management information system (MIS) to collect and compile data on treatment courts?

- No
- Yes, for some courts
- Yes, for all courts

End of Block: Block 3

Start of Block: Block 4

37 Please select all the data element(s) that are collected from treatment courts in the management information system (MIS).

- Age of participant(s)
- Ethnicity of participant(s)
- Gender of participant(s)
- Race of participant(s)
- Length of time each participants was in the program
- Number of participant(s)
- Number of graduate(s)
- Number of termination(s)
- Participant qualifying arrest information
- Participant conviction/sentencing information
- Participant treatment plan information
- Sanctions and incentives used on a participant

38 Who supplies/collects this data for the management information system (MIS)?

- I collect the data
- Another person, agency or third party collects data
- Individual jurisdictions supply the data
- Other (Please describe): _____

Page Break _____

Q43 Currently, what are the top challenges facing treatment courts in your state/territory? Please enter below.

Challenge 1: _____

Challenge 2: _____

Challenge 3: _____

Q44 Please describe any innovative practices treatment courts have implemented in your state/territory in the past 3 years?

Q40 To what extent are state governmental officials supportive of treatment courts?

- Not at all supportive
 - Somewhat supportive
 - Neutral
 - Supportive
 - Very supportive
-

Q45 Please describe any areas of training and technical assistance (TTA) that you would like to be offered for treatment courts in your state/territory?

Q42 Which resource(s) do you use to stay up-to-date with current research on treatment courts? Please select all that apply.

- Attending conferences
- Attending non-conference training
- Discussions with treatment court colleagues
- E-learning
- Participating in webinars
- Peer-review journals
- Published research reports
- Other (Please describe):
