## DATA ELEMENT DEFINITIONS / INSTRUCTIONS

### **Statewide Information**

Record two letter postal code(s) for states with which your state has reciprocal agreements. Reciprocal agreements are when your state recognizes the ETP lists for training providers in other states.

Leave blank if data element does not apply to the program.

### **Training Provider and Program of Service**

Record the name of the organization deemed eligible by a state to provide training services to WIOA Adult and Dislocated Worker program participants.

Report a short description of training provider. The description can include accreditation and program offerings/specialties.

Report the full address of the training provider's main location, including city, state, and 5-digit zip code.

Please verify the address and zip code using the USPS address validation system:  
<https://tools.usps.com/go/ZipLookupAction!input.action>

Record the type of training entity of the ETP as defined in 20 CFR 680.410.

Record 1 if the provider is an institution of higher education that only awards or the majority of credentials awarded are Associate's Degrees

Record 2 if the provider is an institution of higher education that only awards or the majority of the credentials awarded are baccalaureate or higher degrees

Record 3 if the provider is an institute of higher education where the majority of credentials awarded are a community college certificate of completion

Record 4 if the provider is a National Apprenticeship provider

Record 5 if the provider is a private non-profit provider

Record 6 if the provider is a private for-profit provider

Record 7 if the provider is a public provider

Record 8 if the provider is a type of institution not listed above

Report the name of the approved training program.

Report a short description of approved training program. The description can include other course prerequisites (e.g., driver's license or work experience), learning outcomes, competencies gained, program accreditation, full time/part time, required books/technology, and related careers.

Record the URL of the program-specific webpage for training seekers to find more information on approved training program. If a program-specific page is not available, record the URL of a list of all programs for the provider.

Leave blank if no URL is available.

Record the potential outcome of the program of study. A program of study is synonymous with a "program of training services" as defined at 20 CFR 680.420.

Record 1 if a program of study leads to an industry-recognized certificate or certification

Record 2 if a program of study leads to a certificate of completion of an apprenticeship

Record 3 if a program of study leads to a license recognized by the State involved or the Federal Government

Record 4 if a program of study leads to an associate's degree

Record 5 if a program of study leads to a baccalaureate degree

Record 6 if a program of study leads to a community college certificate of completion

Record 7 if a program of study leads to a secondary school diploma or its equivalent

Record 8 if a program of study leads to employment

Record 9 if a program of study leads to a measureable skill gain leading to a credential

Record 0 if a program of study leads to a measureable skill gain leading to employment

Please provide all that apply in this field.

Record the specific name of certificate, certification, license, or degree participants can receive. Example: Certified Welding Inspector (CWI)

Leave blank if a credential is not associated with the program.

A program of study is identified through both the type of program outlined above (e.g. industry-recognized certificate) and the field of study. The taxonomy that will be used to identify fields of study will be the Classification of Instructional Programs (CIP).

The CIP code can be found here:

<https://nces.ed.gov/ipeds/cipcode/Default.aspx?y=55>

This field should represent the 6-digit CIP code, without decimal points.

Record the program's total cost of tuition and required fees for non-WIOA participants, assuming normal time to completion. Examples: Athletic center fees, technology fees, and lab fees.

Leave blank if data element does not apply to the program.

Record an estimate of the program's total cost of books and supplies for non-WIOA participants, assuming normal time to completion.

Leave blank if data element does not apply to the program.

Record the length of the program in clock/contact hours.

Clock hours are the total number of actual hours per week a student spends attending class or other instructional activities that count toward completing a program of study.

A clock/contact hour is defined as a 60-minute span of time with between 50 and 60 minutes of actual class instruction, which may include class, recitation, lecture, lab, training, or internship. No more than 1.0 clock hour can be assigned to any discrete 60-minute period.

Record 99999 if the program is a competency-based program.

Record the length of the program in weeks, as completed by a full time student.

Record 99999 if the program is a competency-based program.

Record one of the following program prerequisites for enrollment:

Record 0 if the program has no educational requirements

Record 1 if the program requires a high school diploma or its equivalent

Record 2 if the program requires an Associate's degree

Record 3 if the program requires a Bachelor's degree

Record 4 if the program requires particular course prerequisites

Record 5 if the program requires a combination of education and course prerequisites (For example: the program requires an Associate's degree and specific prerequisite course(s))

Indicate the format of the program:

Record 1 if the program is in-person

Record 2 if the program is online, e-learning, or distance learning

Record 3 if the program is a hybrid or blended program with both online and in-person components

Record an 8-digit O\*NET Standard Occupational Classification (SOC) code for which this program prepares students.

A CIP-to-SOC crosswalk can be found here: <https://www.onetonline.org/crosswalk/CIP?s=&g=Go>

This field should represent the 8-digit O\*NET-SOC code, without dashes or decimal points.

Record an 8-digit O\*NET Standard Occupational Classification (SOC) code for which this program prepares students.

A CIP-to-SOC crosswalk can be found here: <https://www.onetonline.org/crosswalk/CIP?s=&g=Go>

This field should represent the 8-digit O\*NET-SOC code, without dashes or decimal points.

Record an 8-digit O\*NET Standard Occupational Classification (SOC) code for which this program prepares students.
