Public Burden Statement (1205-0521)

Persons are not required to respond to this collection of information unless it displays a currently valid OMB control number. Respondent's reply to these reporting requirements is required to obtain or retain benefits (Workforce Innovation and Opportunity Act, Section 116). Public reporting burden for this collection of information is estimated to average 25 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate to the Office of Policy Development and Research ● U.S. Department of Labor ● Room N-5641 ● 200 Constitution Ave., NW, ● Washington, DC ● 20210. Do NOT send the completed application to this address.
